

## **GOVERNMENT PAID MOVES & NON-TEMP STORAGE POLICY**

Today's dynamic fiscal environment requires us to continuously reassess our ability to fund local moves for our active duty service members from the local community into privatized housing. There are limited government funds currently available to pay for the movement of household goods from the local community onto the installation; however there is no guarantee funds will be available in the future.

Authorization of these funds can only be approved by the Housing Management Office and not by Liberty Park Management. Please visit our office at 2097 San Antonio Blvd or call 301-981-5518 if you have questions or to determine your eligibility well in advance of your projected move.

Authorized government moves into privatized housing by accompanied and select unaccompanied personnel into privatized housing are paid on a one-time basis after PCS and are not authorized for moves from one privatized housing location to other privatized housing within the NCR.

NTS: The government has approval determination and will provide and fund storage of furniture items that are excess or impractical for use in your assigned quarters. Upon acceptance of keys to privatized housing, you have up to 30 days to provide an inventory list of items to the Housing Management Office. You will coordinate pick up of household goods with our local Transportation Management Office at 301-981-7520/7520/4451.

The Housing Management Office will approve items to be stored and prepare NTS orders; with approved storage for the duration of your approved residency in privatized housing and may not be removed until you terminate quarters. Where orders are issued by the Housing Management Office, NTS entitlements end when you vacate Privatized Housing, PCS outside of the NCR, separate or retire from active duty service. Removal of NTS prior to termination of privatized housing will be at member's expense.

By signing below, I acknowledge that I have been briefed on the Housing Management Office Local Move Funding and Non-Temporary Storage policy.
